

# SMARTTRAY EXTRA DEEP

## DESIGNED DEEPER TO ACCOMODATE MORE FOOD PER TRAY

- ✔ Over 1/2" deeper than the original SmartTray, allowing for larger portions
- ✔ Over 60% increase in compartment capacity – the largest compartment goes from 16.7 oz to 27.5 oz
- ✔ Same length and width as the original SmartTrays (see back for cart capacities)
- ✔ Compatible with the current SmartTray lids
- ✔ Choice of materials: MaxFlex or copolymer
- ✔ Available in Brick, Chocolate Brown, Royal Blue, and Teal
- ✔ Condiment compartment removed for easier cleaning
- ✔ Maintains self-locking stability in a straight, stable column

JZ-6UBT loaded with 65 SmartTray XDs (5 stacks of 15)

- ✔ Keep food hot in heated carts and eliminate inmate complaints
- ✔ Stainless steel – durable and easy to clean
- ✔ Heavy-duty corrections-grade construction
- ✔ UL and NSF certified; comes with a 1-year parts & labor warranty
- ✔ Option to start with ambient carts; upgrade to heated if needed
- ✔ Removable heaters provide maximum uptime
- ✔ Capacities ranging from 39 to 200 meals
- ✔ Excellent durability – designed to last up to 10 years
- ✔ Will never crack open and take in water
- ✔ 5 food compartments – accommodates most menus
- ✔ Compartments seal off from one another to separate food
- ✔ Tray bottom is the lid for the tray below it – no lids required
- ✔ Will stack squarely on top of one another in either orientation
- ✔ Available in safe MaxFlex material
